- Meet entry fee is **1850THB per swimmer** and includes lunch for Saturday, T-shirt, swim cap, and snack pack Sunday.
- Entry times are required for all entries to ensure quality racing for all competitors. We ask that coaches provide accurate times in events where QT's are not required and a swimmer may not have an official time available, rather than entering with NT.
- Where events have a QT, athletes must meet QT to enter.
- Entry times are LC only, and any SC entries must be converted.
- Send entries to: cpike@bisphuket.ac.th

Additional Entries or changes:

- No changes to events on the meet day to accommodate extra swimmers/relays. Please double check your entries prior to the deadline.
- Final team numbers must be received by **Tuesday January 6th**, and Invoices will be issued based on these team numbers, regardless of attendance on meet day. No additional swimmers can be added after that time.
- Event scratches will be allowed up to **Friday February 20th, 12noon**, at which point entries will be final and heats seeded. Any changes after this point may not be processed, or reflected in the Meet Program and Heat/Lane allocations.
- Relay entries must be received with Individual event entries. Additional relays may be added until **Friday February 27th** provided there is space in existing heats.
- Relay names need to be confirmed no later than the start of the session in which they are being swum.
- Only the top finishing relay team from each Swim Team in relay events will score points and placings.
- Any no show for an event will be considered a scratch and the event will be run as scheduled.

- World aquatics Rules apply, except for the modified false start rule for all 10/U events and mixed gender heats, as below:
 - Modified False Start rule for 10/U events - 1st false start, charged to field (all swimmers return to the start and reset); second false start, swimmer disqualified (the race continues and is not stopped, and the swimmer will be informed upon their completion).
 - Mixed Age Group Heats – Individual events will be swum as mixed age groups heats, results will be collated by age-group. Finals will then be swum separately by age group and gender.
- World aquatics Rules will be upheld and applied by Qualified TASA Officials. In the event of a dispute or protest, formal protocols will apply and be advised prior to the meet.
- Age groups are based on age as of **March 6th 2026**.

- Coaches please attend the coaches meeting Friday March 6th prior to the session starting for any clarification of rules.

- Only swimmers and coaches may go to the marshalling area.
- We will mark swimmers as No Show if they do not get to the marshalling area on time.
