Bangkok Patana School is pleased to officially invite you to...

Feeding Frenzy 2026

Dear Coaches,

Feeding Frenzy 2026 will take place from the 27th-29th November 2026 and will make the most of our fantastic 50m pool as well as our 25m warm up/cool down facility. Due to such high demand, the meet has become an invitational meet to maintain the standard of the meet itself.

Last year we welcomed 13 schools from across Southeast Asia and we hope to welcome a similar amount this year. We have continued with qualifying times for 200m events and will be selecting fastest entries for Friday's distance events. This is to ensure timelines are appropriate for the meet and that successfully entered swimmers benefit from high quality racing.

Whilst we always look to continue setting new competitive benchmarks at Feeding Frenzy, we also want to ensure the fun and vibrant spirit on poolside. A vendor market will be open to all swimmers, parents and coaches over Saturday and Sunday. We also invite all schools to dress in their best Christmas gear on the final day and to celebrate the festive season together.

We look forward to welcoming you and your team for another year of fun & fast racing!

Kind Regards,

Alex Berwick (Bangkok Patana Head of Swimming)
